## ALL-PURPOSE CLEANER

MAXAM All-purpose Interior Cleaner is a must-have for auto interior cleaning. Active compounds eliminate more than 99% of dirt & superfine particles (dust, dirty stains, fingerprints, etc.) and protect interiors from the negative effects of UV light. Forms an anti-static layer preventing future appearance of dust. Does not leave streaks, or stickiness. Adds natural shine and leaves a long-lasting fresh scent in the car interior! Suitable for plastic details, PVC, vinyl, rubber & leather. No colourants or silicones added!

## "OCEAN WAVE" ODOUR ELIMINATOR

Advanced car interior & air conditioner fragrance

Bask in the tropics with the invigorating aroma of a salty beach and allow the fresh, dewy scent of MAXAM Anti-Tobacco Ocean Wave to fill your car and excite your senses. Our car fragrances use tough, odour eliminating technology to attach to odours and neutralize them before they take over your car's interior.
